MID GEORGIA AMBULANCE

Web-Based Bulletin Board Policy

MGA utilizes a web-based bulletin board, which is accessible from our associate scheduling website, ePro Scheduler (https://www.net-scheduler.com/MidGeorgiaAmbulance). In addition, for convenience, a link is also available on our company website. This web-based bulletin board is used to convey official notices and authorized information concerning the business of the Company and programs that relate to associates.

MGA utilizes this medium of communication in order to replace written memos as they can be accessed from any location with internet capability. All associates are urged to check the web-based bulletin board daily.
